

COVID-19 PANDEMIC DISCLOSURE AND SCREENING TOOL

Parents play a crucial role in keeping everyone in the facility safe and reducing the risk of exposure. Prior to attending class, please check your child for the following:

GROUP A 1 OR MORE SYMPTOMS	GROUP B 2 OR MORE SYMPTOMS
<ul style="list-style-type: none">• Fever of 100 degrees or more• New uncontrolled cough that causes difficulty breathing• Children with chronic allergic/asthmatic cough: a change in their baseline cough• Lack of smell or taste• Shortness of breath	<ul style="list-style-type: none">• Sore throat• Muscle aches• Headache• Congestion or runny nose• Nausea/vomiting• Extreme fatigue• Frequent diarrhea• Chills

While we understand that many of these symptoms can also be related to non-COVID-19 related issues, we must proceed with an abundance of caution during this Pandemic. These symptoms typically appear 2-14 days after being infected.

Please keep your child home if he or she:

- Has one or more symptoms in Group A, **OR**
- Has two or more symptoms in Group B, **OR**
- Is taking medication Acetaminophen (Tylenol) or Ibuprofen (Motrin) for a fever, **OR**
- Has been in close contact with a person known or suspected to have COVID-19 (and is not fully vaccinated or is fully vaccinated but is having new symptoms following an exposure)
Close contact is defined as being within 6 feet for a duration of 15 minutes or longer regardless of whether masks were worn.
- Is awaiting COVID-19 test results.

CDC and Pennsylvania Department of Health Guidance

You child will need to stay at home until the following criteria are met:

- Child has been fever-free for 24 hours WITHOUT the use of Acetaminophen (Tylenol) or Ibuprofen (Motrin).
- Symptoms are improving.
- May provide medical documentation (note from a doctor) to allow child to return to class.
- If awaiting a test result: COVID-19 negative test result OR your child has been in required quarantine for 10 days.

When in doubt, we recommend checking with your health care provider.

Positive COVID-19 Test

Please notify your County Nurse if your child has a positive COVID-19 test or exposed to someone that has a positive COVID-19 test. Department of Health will be contacted and their quarantine guidance will be followed. Please note: Before your child returns to class, a test result will be required OR your child has been in required quarantine for 10 days.

Mask Wearing in the Classroom

- Please provide a mask for children ages two or up. SUMMIT will also have masks available.
- SUMMIT will encourage children to wear masks using social stories, modeling and positive reinforcement, however, no child will be forced to wear a mask.
- Masks are not worn during meal times, naps, or outdoor play.
- Parents must wear masks when entering the building.
- Children with medical conditions/disabilities that cannot wear a mask will need to have a medical exemption note.
- We will provide further updates as we continue to monitor the local transmission

Thank you in advance assisting with keeping children and staff safe.
