

COVID-19 PANDEMIC DISCLOSURE AND SCREENING TOOL

Parents play a crucial role in keeping everyone in the facility safe and reducing the risk of exposure. Prior to attending class, please check your child for the following:

<ul style="list-style-type: none">• Fever of 100 degrees or more• New uncontrolled cough that causes difficulty breathing• Children with chronic allergic/asthmatic cough: a change in their baseline cough• Lack of smell or taste• Shortness of breath	<ul style="list-style-type: none">• Sore throat• Muscle aches• Headache• Congestion or runny nose• Nausea/vomiting• Extreme fatigue• Frequent diarrhea• Chills
--	---

Covid-19 symptoms and positive COVID-19 Test

- While we understand that many of these symptoms can also be related to non-COVID-19 related issues, **please keep your child home if your child is experiencing 2 or more symptoms.**
- When your child is examined by a health professional, Physician, Physician's Assistant (PA), Nurse Practitioner (CRNP), please provide medical documentation (a written note) with a return date. *When in doubt, we recommend checking with your health care provider.*
- If your child tests positive for COVID-19, please notify someone at your center/classroom or a SUMMIT nurse (contact information on the following page).
- If exposure to COVID-19 has occurred, your child may remain in class as long as they do not have symptoms.

Returning after having COVID-19 symptoms or a positive COVID-19 Test:

- If your child tests positive for COVID-19, they will be required to quarantine for **at least 5 days**. Upon return, in accordance with CDC guidelines, it is recommended that your child wear a mask from days 6 - 10 if age two or above.
- When your child returns, you must provide a written note from a health professional, which clears your child to return (with a return date) **or** indicates that your child has had a negative COVID-19 test result.
- A home test or any other negative test results that have not been reviewed by a health professional will not be acceptable for a child to return to the program.
- Without a return note from a health professional or a verified negative test, the child will be required to remain out of the classroom for 10 days.
- The child must be fever-free for 24 hours without the use of fever-reducing medication, have improved symptoms, and a return note or a negative test from a health care professional.

Mask Wearing in the Classroom

- Masks are not worn during meal times, naps, or outdoor play.
- SUMMIT will encourage children to wear masks, when necessary, by using social stories, modeling and positive reinforcement, however, no child will be forced to wear a mask.

Thank you in advance assisting with keeping children and staff safe.
