

## GOOD FRIENDS. GOOD SUMMER.

**Welcome to SUMMIT Summer Camp 2024!** It's no secret that positive interactions and engagement with peers are the foundation and the beginning of everlasting FRIENDSHIPS. Here at SUMMIT, we want to be part of that experience and provide students with opportunities to practice social skills and build strong relationships with each other.

You might wonder how we do that. Well, our curriculum and activities have always been the HEART of our program. It has been our mission to provide students with as many opportunities as possible to connect and share experiences through common interests, field trips, activities, and play.

From the first day of camp to the last, we provide various opportunities to connect with others. It would be impossible to describe the many ways campers bond with one another, but here are some of the ways your child will be able to reconnect with old friends and make new friends this summer.

### WE ARE BETTER TOGETHER!

Each Wednesday, all SUMMIT's camps will field trip together to one location for a full day of activities and fun! Campers will enjoy things like Rock n' Bowl, Penn State Arts Festival, Amusement Park, Movies, Sock Hop, and our end of **SUMMER FRIENDSHIP FESTIVAL**.

While on site, we'll welcome community friends with special programs such as 4-H, Penn State, and Evangelical Community Hospital. Plus we'll engage in activities like camp pen pals, design a camp yearbook, create a one-of-a-kind camp song, adopt a charity, and much more!

As always, we're passionate about our mission: we **IGNITE** a desire for learning to help children become empowered, compassionate, and successful individuals; we **INSPIRE** them to encourage themselves and others to be their best; and, finally, we **ACTIVATE** the children's imagination and creativity to make a difference in their communities.

We're proud of the work we do at our Summer Camps. We're looking forward to seeing all of you and **IGNITING**, **INSPIRING**, and **ACTIVATING** all of our Camp participants this summer.

Best,  
Michelle
