Dear Camp Families,

On behalf of Summit Early Learning, I am so excited to welcome you to our 2026 Summer Camp experience.

This year's theme, **Camp Imagine: Build It. Solve It. Show It.**, was designed with purpose. Our goal is to give every child opportunities to grow in confidence, creativity, problem-solving, and connection.

Throughout the summer, campers will build friendships and ideas, solve challenges together, and proudly show who they are through meaningful experiences.

Our dedicated staff, engaging activities, and community partners all work together to create a safe, supportive, and inspiring environment where children can truly thrive. We are honored to be part of your child's summer journey and cannot wait to make lasting memories together.

Thank you for trusting us with your children. **It is going to be an incredible summer.**

Warmly,
Michelle Russell, CSD Program Coordinator
